

# KIANG MOUA | FULL-STACK SOFTWARE ENGINEER

BROADWAY, VA | mouakkia@gmail.com [Website](#) | [LinkedIn](#) | [GitHub](#)

## TECHNICAL SKILLS

---

**Frontend:** HTML, CSS, JavaScript, React, NextJS, jQuery, TypeScript, and Tailwind.css

**Backend:** Node.js, Express, RESTful APIs, PostgreSQL

**Tools:** Mocha, Chai, Knex, Git, GitHub, Render, Node Package Manager, Visual Studio Code, Figma

**Additional Skills:** Proficient in Hmong and English, Adobe Photoshop, Adobe Lightroom, 85wpm.

## PROJECTS

---

**ImprovEar** | [Link](#)

05/2024

- Centered on enhancing user interface dynamics for seamless application engagement.
- Employed agile methodologies to craft UI buttons and meticulously verified animations for optimal performance.
- Employed a tech stack comprising JavaScript, NextJS, Tailwind, and Framer-Motion to drive innovation and elevate user interaction.

**Localize** | **NDA**

05/2024

- Designed user and merchant views, product, login, and sign-up pages in Figma, prioritizing the Minimum Viable Product (MVP) for a successful launch.
- Developed responsive front-end architecture based on Figma designs, focusing on mobile-first methodology. Expertise includes JavaScript, Next.js, React.js, Node.js, APIs, Tailwind.css, CSS, TypeScript, and HTML/Json.
- Organized code deployment sequence for front-end development, creating a structured roadmap to prioritize tasks and streamline workflow.

**Client Website** | [Link](#)

01/2024

- Designed and implemented a mobile-friendly front-end that enhanced the user experience and improved web-application responsiveness.
- Developed a customer-facing website using React, JavaScript and JSX that enables customers to make appointments, view the owner's location, and contact the owner through a contact form.
- Created customer testimonials feature that showcased user excellence by using JavaScript, JSX, and CSS.

## PROFESSIONAL EXPERIENCE

---

**Localize (NDA)**

Remote

**Frontend Software Engineer**

12/2023-05/2024

- Designed user and merchant views, product, login, and sign-up pages through Figma, demonstrating a strategic focus on prioritizing the Minimum Viable Product (MVP) for a successful launch.
- Developed responsive front-end architecture post-Figma designs, adopting a mobile-first methodology. Technical expertise encompassed JavaScript, Next.js, React.js, Node.js, APIs, Tailwind.css, CSS, TypeScript, and HTML/Json.
- Leveraged strong organizational abilities to meticulously strategize the code deployment sequence for front-end development, establishing a structured roadmap for prioritizing code tasks, thus streamlining the development workflow.

**Steven Kia** / stevenkia.com

Harrisonburg, VA

**Business Development Agent**

03/2022 – 12/2022

- Accomplished effective client outreach, resulting in a 30% increase in conversion rates, by utilizing a multi-channel approach including telephone, email, and in-person inquiries.
- Accomplished sales targets consistently by effectively building, directing, and motivating a high-performing sales team, resulting in surpassing the company's expectations.
- Generated new business through the successful execution of marketing initiatives, strategic plans, and employing data-driven approaches and market analysis.

## EDUCATION

---

**Thinkful | Full-Stack Software Engineer**

03/2023 - 10/2023

- Learned industry best practices and software development standards with a focus on JavaScript, HTML5, CSS3, React Native, Node.js, PostgreSQL, RESTful API's, algorithms, and data structures.
- Developed and deployed mobile-first applications while learning new languages and frameworks, spending several hours per week collaborating with and learning from senior web developers in a mentor-student relationship.
